School Rules - 2024 - 2025

Class prices are based on a year rate. Monthly price is based on full season rate, then divided by the 9 months of payments. Monthly payments remain the same no matter how many classes are in the month as you are making payments towards the dance year, not the month alone.

Students Must Be Picked Up On Time. We are not responsible for your child once class is over, so please be here on time.

Leaving: If you wish to leave the school during the year, we need **One Month** written notice, only **until February.** **No refunds after February and Competitive Dancers must Finish the Year, No Exceptions.** If you send in your Month notice before Feb, your money will be refunded or post dated cheques returned for the remainder of the year. **First and Last Months Fees are Non Refundable and are Due at Registration.**

Pandemics & Acts of God: If any unforeseen events happen out of my control, **classes will continue online** and I will still require one months written notice to leave the school, as stated above. You will still have to pay me for classes, as I will still be teaching your children, with or without being in a physical building. I am a teacher not a babysitting service.

Students in our Competitive Program are not allowed to leave during the year. I understand that everyone will miss some classes because of holidays or being sick. But students can not drop out of this class. It is too hard on the other students once we are working on the Competition Dance. If student is very ill or has an injury, we will need a doctors note. No other exceptions. Competitive Costs are Non Refundable.

Tickets to our shows cost \$15 per person for Christmas and Spring Show \$15 per person.
